CALL FOR DETAILS

Call Rev. Alastair
Basden

In the natural world, being used brings wear and tear. In the spiritual, being used is what keeps you fresh and anointed. At times, the pastor NEEDS REST. I wish therefore to offer my services as a guest preacher, willing to be at your services, available to assist you in this most worthy vocation.

Being a pastor of nine years I understand the privilege, responsibility and sometimes the burden of preaching. There are times when you may need a break and a preacher you can trust in your pulpit !

Please feel free to call, or email me to discuss how I may serve you and your church in this area.
